

## The Great Sinister Movement Controlling ISKCON

By Mukunda dasa

Srila Prabhupada said the great sinister movement entered ISKCON in 1970. There has been much discussion in regards to what this sinister movement actually is. Some say it is a group of ambitious pseudo disciples. Others say it is the envious Godbrothers from the Gaudiya Math. And still, others say it is a secret society such as the Illuminati. Let us look in more detail at this interesting topic by analyzing Prabhupada's various statements.

**It is a fact however that the great  
sinister movement is within our society**

**Regarding the poisonous effect in our Society, it is a fact and I know where from this poison tree has sprung up and how it affected practically the whole Society in a very dangerous form.** But it does not matter. Pahlada Maharaja was administered poison, but it did not act. Similarly Lord Krishna and the Pandavas were administered poison and it did not act. I think in the same parampara system that the poison administered to our Society will not act if some of our students are as good as Pahlada Maharaja. I have therefore given the administrative power to the Governing Body Commission. (GBC) .... You are also one of the members of the GBC, so you can think over very deeply how to save the situation. **It is a fact however that the great sinister movement is within our Society.** [Srila Prabhupada Letter to: Hamsaduta 2 September, 1970]

Srila Prabhupada is very precise with his usage of words and he says the word "movement" which is not just one or two individuals. In fact not only does Prabhupada call it a movement but he says "THE GREAT SINISTER MOVEMENT". What is the great sinister movement in this world?

If anyone does some research, he will come to the conclusion that International Jewry is the great sinister movement on this planet. They are the ones who have been working in the background manipulating world events through their control of gold and global media and who were the victors of the Second World War. It is very clear that they are the Hiranyakasipu's of these times.

These demons who have an ultimate goal to create a new world order without God, became aware of Prabhupada and his philosophy at least as early as December 26th, 1968 when Prabhupada was interviewed by an LA Times Reporter about the Moon Trip. [The Jews control all mainstream media so as to feed the people only the info they want them to hear] Thus they would have become very disturbed to hear Prabhupada exposing their planned attempts to cheat the public out of billions of tax dollars via their fake moon landing scam. They would also have become aware that if Prabhupada's basic principles of no meat eating, no intoxication, no illicit sex and no gambling was followed by the masses that would completely finish their demoniac civilization. Prabhupada talked about this point in 1976:

**If they, the movement goes and becomes very strong, then our business will be lost. Kill him.**

Prabhupada: So this movement should be pushed very vigorously. And so far, we have become successful. **And enemies will be always, as soon as there is something good. That is the way of material world.** Even Krishna had enemies, what to speak of us. Eh? So many enemies, but He was powerful; He killed all them. Nobody could kill Him, but there was attempt to kill Him from the very beginning of His birth. He had so many enemies. As soon as Kamsa heard that his sister is now newly married, but as soon as there was some foretelling, "Ah, you are taking care of your sister so nicely. The eighth child of this sister will kill you." "Oh, where is your child? Where is pregnancy?" Nothing. He became angry. "So why wait for eighth child? Kill my sister." Long, long before taking birth of Krishna, the mother was to be killed. This is the position of this material world. So he became so bad that "My sister..." He did not consider that "She is my sister, and she is just newly married. Where is pregnancy? Where is child? And that is the eighth child, and what will happen after that?" No consideration. Immediately, "Kill him, kill her." This is the position. **So we are instructing: no intoxication. So those who are flourishing by selling cigarettes and wine and liquor, they do not... Immediately kill him. Oh, yes, in this way. If they, the movement goes and becomes very strong, then our business will be lost. Kill him.** So naturally they will be enemies. The same thing, the Kamsa saw that "This my sister, now she is married. So although it will take some long time, but here is the cause." **So they are thinking like that. No meat-eating, then all slaughterhouses will be closed: "They're enemy." Although there is no such symptom that slaughterhouse is going to be closed, but they'll think like that. They'll think like that, the same way.** There is no ex... (break) ...pregnancy, first, second, third, then eighth, and the child will go, take birth and... They are thinking like that. **So the modern civilization, we are everyone saying. Because you have forbidden: no illicit sex, no intoxication, no meat-eating, no gambling. The whole Western world living on these four pillars. Just see our position. And the same conscious way, everyone is thinking, "If this movement goes on, then how all these nightclubs will go on? How all breweries will go on? How all slaughterhouse will go on, cigarette factories will go on?" This is all foolish. So you cannot expect that we will get more, many friends. That is not possible, because the world is full of Kamsas, demons.** So we have to struggle and... In the face of so many obstacles we have come to this standard that there is **one Hare Krishna movement; it is very dangerous to the modern way of life.** That much is great, advance. **They're feeling the pulse.** Now when they are meeting, state obstacles. Everywhere we are meeting obstacles. In Singapore

Pusta Krishna: We went to the airport.

Prabhupada: Yes.

Pusta Krishna: And practically they didn't even want to let us stay in the airport. We had to stay there only for four hours to catch the next flight. They are so much...  
Prabhupada: This is our position. Gradually they will show Hare Krishna movement. In India also, although India's... **They will want to crush down this movement.** So this will be up to Him. Krishna or Krishna's movement, the same thing. And Krishna was attempted to be killed by Kamsa class of men and his company, the demons. **So it will be there; it is already there. Don't be disappointed, because that is the meaning that it is successful.** Krishna's favor is there, because Krishna and Krishna's movement is not different, nondiff..., identical. So as Krishna was attempted to be killed, many, many years before He appeared... At eighth child, if the mother produces child yearly, still ten years, eight years before His birth, the mother was to be attempted to be killed. **So there may be attempt like that. And Lord Jesus Christ was killed. So they may kill me also.** [Sri Prabhupada Room Conversation, May 3, 1976, Honolulu]

Jesus was killed by the Jews. Prabhupada clearly knew this:

Prabhupada: **Yes, actually we can see that the Christians hate the Jews because the Jews crucified Christ.** They even utilize the symbol of the cross to remind people that the Jews crucified him. Even in the churches there are pictures of Lord Jesus, with thorns on his head, being forced to carry his cross. **In this way, the people are reminded of all the troubles that the Jews gave to Christ.** [Dialectic Spiritualism Friedrich Wilhelm Nietzsche [1844-1900]

So when Prabhupada said that "they may kill me also", this clearly indicates the same Jewish lineage that killed Christ.

Kamsa didn't wait for Krishna to appear to try to kill Him but he tried to kill His mother thinking he could check Krishna even appearing in this world. In the same way International Jewry knew that if Prabhupada's movement expanded, their plans for world domination would be finished. So they didn't wait to attempt to kill Prabhupada. We have to be assured on the strength of the above quote that like Kamsa the Jews wanted to cut Prabhupada down before he even got fully started. "Nip it in the bud".

Thus they would have planted some of their agents into ISKCON just before 1970 with the aim to first destroy the movement from within via divide and conquer.

### **The Protocols of The Learned Elders Of Zion**

Goyim are mentally inferior to Jews and can't run their nations properly. For their sake and ours, we need to abolish their governments and replace them with a single government. This will take a long time and involve much bloodshed, but it's for a good cause. Here's what we'll need to do:

#### **Place our agents and helpers everywhere**

Take control of the media and use it in propaganda for our plans

**Start fights between different races, classes and religions** [Divide and Conquer]  
(Note: Tamal started fights between the different asramas or classes in ISKCON – see appendix 2)

**We have agents placed everywhere, occupying many positions throughout society.**

This way everyone will see how powerful we are; and they will be **in fear of our many international spies and agents who roam the earth without limitation.**

But how else were we to bring about that increase of trigger events **which lead to disorders within their administration?** ... Among those methods, one of the most important is **having agents for the restoration of order placed in such a way as to have the opportunity to cause problems. They will use their disintegrating activity to develop and display their evil inclinations** – obstinate self-conceit, irresponsible exercise of authority, and, first and foremost, an openness to bribery and corruption.

Being expert in this field, the Jews knew all too well that the best means to create divisions between Prabhupada and his young western disciples was to introduce the impersonal poison held by his deviant Godbrothers from the Gaudiya Math. Prabhupada clearly talks of this in the following quote:

#### **GODBROTHERS THE POISON BUT NOT THE MANIPULATING SINISTER MOVEMENT**

I am very pleased that you all GBC members are remaining vigilant so that the disturbance in our Society may not continue. In Isana and his wife's letters there is reference to Tirtha Maharaja's name, as if they were advised by Brahmananda Maharaja and company to come to India and join Tirtha Maharaja. It appears like that. I shall be glad if you kindly inquire on this point. **It is now clear that my Godbrothers take objection of my being called as Prabhupada and on this point they wanted to poison the whole Society--that is now clear. But how it was manipulated--that is a mystery.** [*Prabhupada Letter to: Rupanuga, Calcutta, 25 September, 1970*]

The poison is clearly the envy of Prabhupada's Godbrothers but the agents of the great sinister movement [Tamal and others] are the manipulators of that poison. That is indicated in the following letter:

I am very glad to know that the **GBC is actively working to rectify the subversive situation which has been weakening the very foundation of our Society.** All you members of the GBC please always remain very vigilant in this connection **so that our society's growth may go on unimpeded by such poisonous elements.** Your preaching in New Vrndavana as well as intensified study of our literatures with seriousness is very much encouraging. Please continue this program with vigor and reestablish the solidity of our movement.

From the very beginning I was strongly against the impersonalists and all my books are stressed on this point. So my oral instruction as well as my books are all at your service. Now you GBC consult them and get clear and strong idea, then there will be no disturbance. Disturbance is caused by ignorance; where there is no ignorance, there is no disturbance. **The four Sannyasis may bark, but still the caravan will pass. There is every evidence that they are influenced by some of my fourth-class Godbrothers.**

If there is opportunity, try to convince these rascal Sannyasis **who are misled by fourth-class men** that if they at all want to have a change of leadership why do they not select a better leader than at present moment. What is the use of finding out a fourth-class leader who has no asset as their background. I am simply sorry that such

intelligent boys are misusing their brain-substance in this way. Try to rectify them as far as possible. **Isana Das has inquired from Tamala regarding Tirtha Maharaja. I do not know what is the sequence of this inquiry, but it is clear that there is a great clique and the so-called Sannyasis are the via media of spreading contamination in our Society. It is a very sorry plight.** [Prabhupada Letter to: Hayagriva, Calcutta, 14 September, 1970]

The poisonous contamination is impersonal philosophy which was spread into ISKCON via the four rascal Sannyasis, but it was done due to a great clique. [*Clique Meaning - A narrow circle of persons associated by common interests or for the accomplishment of a common purpose; -- generally used in a bad sense.*]

So the poison is the envious Godbrothers, the medium for getting that poison into ISKCON was the four bewildered Sannyasis [Brahmananda, Gargamuni, Visnujana and another maybe Subala] but the great clique [great sinister movement] which was organised by the Jewish agent Tamal, who is also mentioned in the above letter, was responsible for the manipulation of that poison into the society via subtle suggestions of association with the envious Godbrothers such as Tirtha Maharaja.

Tamal was a man so disturbing to Prabhupada's movement. He was always trying to create division in ISKCON, which is the goal of any agent planted by the Jews in an international movement that they wish to destroy from within. (Please See- APPENDIX 2 - Tamal's Divide & Conquer – on page 122) Tamal was so troublesome that His Divine Grace banished him to China [Tamal refused to go]. Later he was the chief culprit in a conspiracy to kill Prabhupada. Then after Prabhupada's departure he totally neglected Prabhupada's orders and hijacked the movement implementing unauthorized principles such as envious conditioned souls being worshiped as representatives of God. Are we really going to believe that Tamal's talks with Isana dasa and others in regards to Prabhupada's envious Godbrothers were to protect ISKCON? This reasoning is not very intelligent. Logic would strongly suggest Tamal's agenda was to manipulate poison into the society and thus cause division so he could conquer on behalf of the sinister movement.

Later in appendix 2 I will give interesting examples of Tamal's divisive behaviour. Now let us look in more detail in regards the impersonal contamination that poisoned these four sannyasis:

Lately there has been some misunderstanding amongst our devotees about our Krishna Consciousness philosophy. Particularly there has been some confusion about the relationship between the Spiritual Master and Krishna. The Vedas say that there is a Master Krishna. This Servant Krishna is the Spiritual Master and this is the conclusion. **The Spiritual Master is the Mercy Representative of the Supreme Lord and as such He is given honor as good as Krishna, but He is never identical with Krishna.** Perhaps you know the picture of Madhvacarya, one of the great Acaryas in our line, who is holding two fingers up to indicate Krishna and jiva. The impersonalists hold up one finger because their idea is that everything is one. **So if we make the Spiritual Master identical with Krishna, then we will also become impersonalists. If we say that our Spiritual Master is Krishna, then the conclusion is that if we become Spiritual Master some day, then we will also become Krishna. Please try to understand how dangerous this kind of reasoning is.**

In my books I have tried to explain clearly this simultaneously one and different philosophy acinta beda beda tattva propounded by Lord Caitanya Mahaprabhu. But sometimes it happens that this philosophy is given a self-interested interpretation. As soon as personal motivation comes in it is not possible for one to understand our Krishna Consciousness philosophy. [Prabhupada Letter to: Isana, Vibhavati, Calcutta, 21 September, 1970]

**In regards to why you have been branded as Mayavadi sannyasi by society members, that is because you are identifying the Spiritual Master as God.** We always represent ourselves as servant of God and you are preaching contrary. **The Spiritual Master should be given respect of God but that doesn't mean he is God. That is Mayavadi.** You should always remember that the Spiritual Master is the representative of God and should be given the respect of God **but that doesn't mean that he is God Himself!** You can speak of the Spiritual Master as "servant God" whereas Krishna is "master God". I think this is sufficient to clear the idea.

Regarding Swami Tirtha, this is just a rumor because in the past there were such symptoms. Now you should forget about the past, and go forward straight for preaching this Krishna Consciousness Movement. **Before preaching of your Spiritual Master as God, you never consulted me whether it was right. This means you were inspired by some external influence.** Subala said that it was a mystic influence. Why that was wasn't cleared up until now. That mystic influence was widely spread which I clearly saw in Honolulu, Tokyo or in other words, wherever Brahmananda went. Now we have to forget the past incidences and shall have to go forward with clear consciousness. [*Prabhupada Letter to: Gargamuni, Bombay, 27 October, 1970*]

Going back to the above discussion in which Prabhupada says the Jews may kill him:

So there may be attempt like that. And Lord Jesus Christ was killed. So they may kill me also. [*Srila Prabhupada Room Conversation, May 3, 1976, Honolulu*]

Even though International Jewry will have made several attempts to kill Prabhupada [via their Jewish agent Tamal], they were totally unsuccessful due to his being fully protected by Krishna [God]. Prabhupada only left this world under the direct guidance of the Lord when his work was done, not when the demons tried to kill him.

It cannot be checked. There may be so many hindrances. **But one who is pure devotee, his business cannot be stopped.** [*Srila Prabhupada from a Srimad Bhagavatam lecture 1.2.6. Calcutta. Feb 26<sup>th</sup>, 1974*]

Similarly, anyone who is ordered by the Lord to perform some action in this material world, especially preaching His glories, **cannot be counteracted by anyone;** the will of the Lord is executed under all circumstances. [*Srila Prabhupada from Srimad Bhagavatam 3.16.36*]

The Jews had no power to kill an exalted personality like Srila Prabhupada and they couldn't divide his movement during his physical presence. Thus they went from their failed internal divide and conquer to an external attack on the movement with deprogrammers.

### **PRABHUPADA PREDICTED THE ATTACK BY THE JEWS**

Srila Prabhupada foresaw an attack on his movement coming from the Rabbis and the Christian priests. [Note: Christianity is now totally controlled by International Jewry].

But another thing, that **the priestly class of Christian and Jews churches, I think they are becoming envious of our movement.** Because they are afraid of their own system of religiosity, because they see so many young boys and girls are taking interest in this system of Krishna Consciousness. Naturally, they are not very satisfied. **So we may be facing some difficulty by them in future. So, we have to take some precaution.** Of course, this priestly class could not do anything very nice till now, but

dogmatic way of thinking is going on. **So anyway, we shall have to depend on Krishna, and I think the new center in United Nations, if we make nice propaganda from there, then this tendency may be diminished.** In the United Nations center, I have already suggested Purusottama things to be done there, and if possible, we shall hold meeting and kirtana in the church center and distribute Prasadam, invite the prominent members of the United Nations, this is, I am thinking like that. I do not know what Krishna desires [*Prabhupada Letter to: Brahmananda 6 October, 1968*]

Prabhupada wanted to counteract this envious mentality by getting a preaching facility at the church center of the United Nations building in New York. This was checked by the demons.

In the next quote we see Prabhupada's prediction manifest with perfect accuracy. The internal divide and conquer had failed. The Hare Krishna movement was too strong during Prabhupada's physical presence. Now the Jews go full on with an external attack.

**Just now there was a meeting of the five hundred leading rabbis of the Jewish faith in favor of deprogramming**

Tamala Krishna: Just see. **They call a meeting of five hundred rabbis, all of the leading rabbis, and the Jewish leaders in the whole USA, just to deal with this question of "The cults taking our children."**

Prabhupada: (laughs) Us? Au...?

Tamala Krishna: Yes. We're the main cult.

Prabhupada: Then? This is a verse. They do not know what is the aim of life.

Hari-sauri: "Neither cleanliness nor proper behavior nor truth is found in them." All liars and cheats.

Prabhupada: **This is demon.**

Tamala Krishna: They're filthy. That's for sure. They are filthy. They have no idea of... In New York you can see that. They smell nasty. They keep on their shoes. You have to tell them to take... They never wash after eating. Even animals wash. At least they try to keep clean.....

Tamala Krishna: ...kidnapped three of our devotees about a week before we... Just about a week...

Prabhupada: So we cannot take any position?

Tamala Krishna: Well, no, because the kidnapping is legal. They got...

Prabhupada: Then what can be done?

Tamala Krishna: They got permission from the court for conservatorship.

Adi-kesava: But two of the devotees have already escaped.

Prabhupada: If it is legal, what can I say?

Tamala Krishna: Yeah, that's... This is their new tactic now. This is their new tactic, that they're getting the court permission.

Prabhupada: **Then Americans' liberty is gone.**

Tamala Krishna: That's why the lawyers and others are very alarmed, the intellectuals, 'cause they're seeing it is becoming like Russia.

Adi-kesava: They're saying now that psychological freedom is more important in the law than religious freedom.

Prabhupada: Whatever it may be, if the law helps to kidnap, then what you can do?

Tamala Krishna: **He says that just now there was a meeting of the five hundred leading rabbis of the Jewish faith in favor of deprogramming, because they're very alarmed that the young men and women of the synagogues are joining our movement and other type of movements and leaving their so-called past religion. So the rabbis are going to take up... They like this deprogramming. They like this**

**kidnapping.** And he says also that just now in Newsweek magazine there's been a big article printed in favor of deprogramming, special article about this Tucson, Arizona, deprogramming center. **So he says that he expects more and more of this deprogramming.** He's a little bit alarmed because all of our leaders will be here in India now for the next few weeks.

Tamala Krishna: So he's a little alarmed that we'll all be coming to India, and these deprogrammers, they know this. So he's concerned.

Prabhupada: So do you think by going there they'll be saved?

Tamala Krishna: By staying in America, you mean?

Prabhupada: Hm.

Tamala Krishna: No.

Prabhupada: Then?

Adi-kesava: Most of the work that we can do doesn't have much to do with someone being taken, one person. It has to do with dealing with the whole issue. When we make...

Prabhupada: **No, how is this American law is allowed that anyone can be kidnapped?**

Tamala Krishna: Yes, that's the whole point...

Adi-kesava: We have gotten in some states injunctions from the court so that people cannot be taken. For instance in California they have an injunction. In Massachusetts...

Prabhupada: If this injunction is there, why don't you take steps and...?

Adi-kesava: They took them from other states. So we're trying to extend it now to the other states. But in some places there are new laws, so we have to find a new way to go against it. We have just defeated the law in the state of Vermont. They proposed one law...

Prabhupada: That law, but is what can I say?

Tamala Krishna: Yeah, no, I mean he wasn't asking for any statement. I was just giving it as information.

Prabhupada: That they have already taken. (converses with man in Bengali) (break)

When there is fight, fight is fight. They'll take their tactics; we shall take our tactics.

Tamala Krishna: **You can see which groups are alarmed—the parents, the rabbis, and the priests.**

Prabhupada: **They should be alarmed. If Hare Krishna movement goes on, then their culture will be finished.**

*[Room Conversation February 18, 1977, Mayapura]*

### **DID PRABHUPADA CURSE INTERNATIONAL JEWRY FOR ATTACKING THE HARE KRISHNA MOVEMENT WITH DEPROGRAMMERS?**

The attack by International Jewry on the Krishna consciousness movement was simultaneously an attack on Prabhupada and Lord Krishna Himself. So even though Prabhupada will be tolerant of any attack against himself, he will not tolerate Krishna being offended.

Similarly, anger can be controlled. **We cannot stop anger altogether, but if we simply become angry with those who blaspheme the Lord or the devotees of the Lord, we control our anger in Krishna consciousness.** Lord Caitanya Mahaprabhu became angry with the miscreant brothers Jagai and Madhai, who blasphemed and struck Nityananda Prabhu. In His Siksastaka Lord Caitanya wrote, *trnad api sunicena taror api sahisnuna*: "One should be humbler than the grass and more tolerant than the tree." One may then ask why the Lord exhibited His anger. The point is that one should be ready to tolerate all insults to one's own self, but **when Krishna or His pure**

**devotee is blasphemed, a genuine devotee becomes angry and acts like fire against the offenders.** [Prabhupada from NOI Mantra 1]

This is our business. Because we are servants of God. **We cannot see anything blasphemy against God. That is not our business. We must chastise immediately.** [Prabhupada Room Conversation July 7, 1976, Baltimore]

At the same time Krishna will not tolerate any insult against His dear devotee Srila Prabhupada.

**So this is the fact, that Krishna will never tolerate insult on a devotee. He will never tolerate.** The devotee may excuse, trnad api sunicena taror api sahisnuna. He may suffer. Just like Prahlada Maharaja, he was suffering. His father was torturing him. He was suffering, "All right." **But Krishna never tolerated. "Oh, you have done so much. Now it is the time to kill him." This is the process. Krishna will tolerate. Even you insult Krishna, He will tolerate. But if you insult His devotee, He will never tolerate. Then you are finished. Then you are finished.** Just like a big man. If you insult him, he may think "All right, let him." But if you insult or do something harm to his child, he will never tolerate. He will never tolerate. **Similarly, a devotee who is dependent on Krishna in everything, and if somebody does harm to him, insults him, Krishna will never tolerate.** That is explained in the Caitanya-caritamrta, vaisnava-aparadha. Tara madhye vaisnava-aparadha hati matta. **So we should be very careful not to offend Vaisnava devotees. Not to offend. This is greatest offense.** Therefore it is said vipra-sapa-vimudhanam. Vimudhanam. **Those who are rascal, fools, they will want to try to insult real brahmana, Vaisnava. Then they are finished.** Of course, a Vaisnava never curses. Tolerates. Trnad api sunicena taror... Vaisnava tolerates, but Visnu never tolerates. [Prabhupada Lecture Srimad-Bhagavatam 1.15.22-23, Los Angeles, December 2, 1973]

### PRABHUPADA'S CURSE

As stated in Bhagavad-gita (4.8), paritranya sadhunam vinasaya ca duskrtam. The sadhus, the devotees of the Lord, are always eager to advance the cause of Krishna consciousness so that the conditioned souls may be released from the bondage of birth and death. But the asuras, the demons, impede the advancement of the Krishna consciousness movement, and therefore Krishna arranges occasional fights between different asuras who are very much interested in increasing their military power. The duty of the government or king is not to increase military power unnecessarily; the real duty of the government is to see that the people of the state advance in Krishna consciousness.... For flickering happiness, people waste their human energy, not understanding the importance of the Krishna consciousness movement **but instead accusing the simple devotees of brainwashing. Demons may falsely accuse the preachers of the Krishna consciousness movement, but Krishna will arrange a fight between the demons in which all their military power will be engaged and both parties of demons will be annihilated.** [Prabhupada from Srimad Bhagavatam 9.24.59]

Prabhupada: This is also arrangement by Krishna. Vinasaya ca duskrtam. "I will arrange soldiers. Russia will arrange for military power, America will arrange for military power, and they'll be engaged in fighting so that the overburdened earth will be released from these, all these demons. And it will pave the way for Krishna consciousness." And so long they're alive, they'll protest against Krishna consciousness: **"This is brainwash." So Krishna will arrange war between them. Then they'll be finished, and it will be easy for us to make progress.** So paritranya sadhunam vinasaya ca duskrtam.

Satsvarupa: Why will that be favorable for us? You said that will be...

Prabhupada: Paritrana sadhunam, that we are meeting so many obstacles for these rascal demons, and when they will be killed, then our path will be easier. And they will also understand that "This demonic way of life is not good. Let us take to Krishna."  
*[S.P. Morning Walk, January 28, 1977, Bhubaneswar]*

International Jewry by their envious actions against Prabhupada and Krishna in the form of the Hare Krishna movement has a double curse on their heads.

### **THOSE WHO ARE ATTEMPTING TO KILL, THEY WILL BE KILLED.**

**Therefore our movement is being checked in the Western countries that this is a brainwash movement.** Brainwash movement, that we are injecting some ideas by psychology, mental control, and our people they are taking to it, and it is spreading like epidemic. How to check it? **Therefore they are now taking action how to stop this Hare Krishna movement in Europe and America.** They are trying. Of course, we are not afraid of this attempt. They will never be successful, rest assured, because we are pushing Krishna consciousness. Krishna was attempted to be killed from the very beginning of His life. That is the nature of this material world, "How to kill God," "God is dead." This is their attempt. So from the life of Krishna we can understand that so many attempts were made by the demons and the raksasas to kill Krishna, but actually Krishna killed them all. **So if you are sincere, if you follow the principles and push on this Krishna consciousness movement, nobody can kill you.** You'll go forward, rest assured. We are not going to be killed. That they are perceiving, that this movement is spreading like epidemic, and the young men of Europe and America, they're taking seriously. Professor Stillson Judah already has given his conclusion that "This movement is not going to stop. It will go on." That's a fact. **Krishna cannot be killed, neither His movement cannot be killed. Rather, those who are attempting to kill, they will be killed.** But we must be very sincere, serious, follow the regulative principle and chant Hare Krishna mantra as you have been taught. Follow this principle boldly, and there is no fear. *[Prabhupada Lecture Srimad-Bhagavatam 5.5.32, Vrndavana, November 19, 1976]*

The following account is from the recently deceased devotee Pita das. It clearly confirms that the sinister movement now controlling ISKCON is international Jewry.

### **THE HARE KRISHNA MOVEMENT NO LONGER A THREAT TO JUDAISM**

"From 1983 to 1989 I was in Taipei Taiwan ROC. First as an assistant to Sevananda Prabhu then as we were told we were not needed any longer and the GBC placed his students in the place of management. (to make a very long story short ) I had to live outside teach ESL, English.

One day Srila Prabhupada from within my heart chaita guru sent a very young and attractive man and wife to me, at first they wanted to know where they could have lunch? They were not Chinese but European I recommended a pure veg place and we went to have lunch together.

They wanted to know everything about Krishna Consciousness. I had never met a more

receptive couple in my life so much so that after lunch I invited them to my apartment on Yang Ming Mountain. After again speaking to them at least two more hours I finally asked them what did they think of Krishna Consciousness? They then said they were Jews born in a Jewish community in Cape Comeran in South India. Their parents had left Germany before the war. They then told me they taught English in Japan and were saving money because they wanted to live in Israel. They then explained that the Rabbis in Israel told them (and I quote them exactly):

THE HARE KRISHNA MOVEMENT WAS NO LONGER A THREAT TO JUDAISM because the Indian leader left his movement to his Jewish followers!

With my hands on Srila Prabhupada's lotus feet it happened just like that." Pita das

After hijacking ISKCON, the Jews may foolishly believe that the Hare Krishna Movement is no longer a threat to their plans for world domination. Unfortunately for them, true Krishna consciousness is not locked up in institutions controlled by demons. Rather it is found in the hearts of the pious. To protect those pious souls the Lord will establish the age of Satya (truth) for their spiritual enlightenment and annihilate the envious demons now ruling the world.

### **MORE CLEAR EVIDENCE**

The following quote also confirms who are the most envious of Prabhupada's movement. In appendix 3 on page 137 you will find out very clearly who is behind communism. Also read again pages 70 to 80 to understand the non-human identity of the communist leaders who Prabhupada exposed as the GREAT SINISTER MOVEMENT in his ISKCON society.

**Actually, everywhere envious people are against this movement, especially communists, because this movement is a threat to them**

Our ultimate aim is to take part in politics, because Krishna took part in politics, we have to follow—but if people do not become Krishna conscious it won't be possible. Actually if we can take up the government, our movement will be very easily spread and beneficial to the people. We can make happy, peaceful men, God conscious—this is our aim. The main thing is to distribute books more and more. That remark by the man in Houston is to your credit, that this movement is becoming an epidemic. **Actually, everywhere envious people are against this movement, especially communists, because this movement is a threat to them.** The main thing is to distribute books—the communist idea is spread practically all over the world on account of distributing huge amounts of literature, but they have no substance.

[Srila Prabhupada Letter to: Balavanta, Vrindaban, 4 October, 1976]

*PAGES 70 to 80 FROM PRABHUPADA AND THE JALADUTA INCARNATIONS - CHAPTER THREE - THE SPIRITUAL SIGNIFICANCE OF THE JALADUTA'S SWASTIKA*

### **BEAR-LIKE RACE OF BEINGS PROMOTING COMMUNISM DETERMINED TO CONVERT THE WORLD TO GODLESSNESS**

In the next quote from Mother Govinda dasi we get to understand more clearly the true goals of communism and the identity of those who are actually behind it. This will help us to appreciate the

fact that it couldn't be any ordinary man who would be able to fight against such powerful and demonic personalities. It would require a special soul empowered by God. That man was Adolf Hitler.

Srila Prabhupada sometimes said that a "bear-like race of beings had come from a lower planetary system, and were attempting to take over the Earth planet." This bear-like race of asuras had established themselves in Russia. And by promoting communism, a form of atheism, they were determined to convert the world to Godlessness.

Formerly, in Vedic times, the land of Russia was known as the land of the rishis. It was known as "Rishiya." The region was populated by many yogis and sadhus who went to the mountains of the Himalayas, and beyond, to perform penances and austerities in the frozen terrain, far away from the hubbub of worldly life.

Srila Prabhupada knew that there were those in Russia who were the descendants of such rishis, and would have the sukriti to take mightily to Krishna consciousness. Yet they were being suppressed and even tortured by the Godless asuric race that had overtaken the political systems of Russia.

Those same asuric leaders were also keen on overtaking the political systems of other countries, closing their churches, and poisoning their children with government schools that taught only Darwinism, and other forms of atheism. In this way, the communist political machine planned to permeate the world with the poison of atheism. This was a serious threat to the future of the Earth planet.

Srila Prabhupada often expressed concern for Russia, and for the suffering people there. It was almost as if he were tuned in to the sufferings of the saintly people in that iron-clad country. Because of the "iron curtain" as it was called, practically no interaction with the West was allowed. The "iron curtain" was firmly in place after World War II and anyone who tried to escape to the West, could be shot at various checkpoints. The asuras had successfully sealed off an entire country from the influence of the rest of the world, and were busily indoctrinating the helpless citizens with brutish atheism. (Govinda Dasi)

Now we are again going to face the same opposition to the above quote from Mother Govinda dasi as we faced for Hamsaduta's quote.

**Unless it is there from me in writing, there are so many things that "Prabhupada said."** [Prabhupada Letter to: Omkara Vrindaban 2 September, 1975]

So can it be showed from Prabhupada's teachings that the people now trying to control our world are not even from this planet, that they are demons from a lower planetary system?

Let us look at a quote I presented before:

The fight between the Lord, the Supreme Personality of Godhead, and the demon is compared to a fight between bulls for the sake of a cow. The earth planet is also called go, or cow. As bulls fight between themselves to ascertain who will have union with a cow, **there is always a constant fight between the demons and the Supreme Lord or His representative for supremacy over the earth.** [Srila Prabhupada from *Srimad Bhagavatam* 3.18.20]

So this quote is from the pastimes of the Lord in His incarnation as Varahadeva during His fight with the demon Hiranyaksa. Prabhupada says that always there is a constant fight for supremacy over the earth between the demons and the Supreme Lord or His representative.

Early in the same chapter we hear Hiranyaksa speak as follows:

The demon addressed the Lord: O best of the demigods, dressed in the form of a boar, just hear me. **This earth is entrusted to us, the inhabitants of the lower regions,** and You cannot take it from my presence and not be hurt by me. [*Srimad Bhagavatam* 3.18.3]

Thus we see that the fight for earth is between the demons of the lower regions or lower planetary system and the Lord or His representatives. **This is a constant fight which is playing out even now. This is the clear proof which validates Mother Govinda Dasi's quote.**

There is this fight for mother earth between the demons and the Supreme Lord or His representative due to the fact that the earth is the field of activities for the spirit souls. On the other planets in the universe the souls are burning down their karmic reactions but on the earth the souls are making fresh karma which will determine their futures.

After one enjoys the results of virtuous activities in the upper planetary systems, he comes down to this earth and renews his karma, or fruitive activities for promotion. This planet of human beings is considered the field of activities. (*Prabhupada from Bhagavad-gita* 15.2)

From the earth one can attain any planet in the universe, or if he desires he can go beyond that as described by the Lord in Bhagavad-gita.

TRANSLATION: Those who worship the demigods will take birth among the demigods; those who worship ghosts and spirits will take birth among such beings; those who worship ancestors go to the ancestors; and those who worship Me will live with Me.

PURPORT: If anyone has any desire to go to the moon, the sun, or any other planet, one can attain the desired destination by following specific Vedic principles recommended for that purpose. These are vividly described in the fruitive activities portion of the Vedas, technically known as darsa-paurnamasi, which recommends a specific worship of demigods situated on different heavenly planets. Similarly, one can attain the Pita planets by performing a specific yajna. Similarly, one can go to many ghostly planets and become a Yaksha, Raksha or Pisaca. Pisaca worship is called "black arts" or "black magic." There are many men who practice this black art, and they think that it is spiritualism, but such activities are completely materialistic. Similarly, a pure devotee, who worships the Supreme Personality of Godhead only, achieves the planets of Vaikuntha and Krishnaloka without a doubt. (*Prabhupada from Bhagavad-gita* 9.25)

Therefore by controlling the earth planet and the activities that are performed there one is able to influence the future of the souls incarnating on the planet. The demons due to their envy of the Lord always desire to exploit the earth for their own sense gratification and wish to keep people in total ignorance of the spiritual goal of human life.

The demons do not want people awakening spiritually and making progress on the path back to their original home in the spiritual world. They want a life of total forgetfulness of the Supreme Lord and they want to influence all others to such a demoniac state of existence. They even have their own planets in the lower planetary system in which they live very opulent lives but without any consciousness of the Lord.

Below Rahu by another 1,000,000 yojanas are the planets of the Siddhas, Caranas and Vidyadharas, and below these are planets such as Yaksaloka and Raksaloka. Below these planets is the earth, and 70,000 yojanas below the earth are the lower planetary systems--Atala, Vitala, Sutala, Talatala, Mahatala, Rasatala and Patala. Demons and Raksasas live in these lower planetary systems with their wives and children, always engaged in sense gratification and not fearing their next births. The sunshine does not reach these planets, but they are illuminated by jewels fixed upon the hoods of snakes. Because of these shining gems there is practically no darkness. Those living in these planets do not become old or diseased, and they are not afraid of death from any cause but the time factor, the Supreme Personality of Godhead. (*Srimad Bhagavatam 5<sup>th</sup> Canto Intro*)

In these seven planetary systems, which are also known as the subterranean heavens [bila-svarga], there are very beautiful houses, gardens and places of sense enjoyment, which are even more opulent than those in the higher planets because the demons have a very high standard of sensual pleasure, wealth and influence. Most of the residents of these planets, who are known as Daityas, Danavas and Nagas, live as householders. Their wives, children, friends and society are all fully engaged in illusory, material happiness. The sense enjoyment of the demigods is sometimes disturbed, but the residents of these planets enjoy life without disturbances. Thus they are understood to be very attached to illusory happiness. (*Srimad Bhagavatam 5.24.8*)

It has become very well known in the conspiracy circles that there are shape shifting reptilians trying to take over the earth planet. These beings are described in Srimad Bhagavatam and also reside in the lower planetary system. They often fight with the demigods like Indra.

TRANSLATION: The planetary system below Talatala is known as Mahatala. It is the abode of many-hooded snakes, descendants of Kadru, who are always very angry. The great snakes who are prominent are Kuhaka, Taksaka, Kaliya and Susena. The snakes in Mahatala are always disturbed by fear of Garuda, the carrier of Lord Visnu, but although they are full of anxiety, some of them nevertheless sport with their wives, children, friends and relatives.

PURPORT: It is stated here that the snakes who live in the planetary system known as Mahatala are very powerful and have many hoods. They live with their wives and children and consider themselves very happy, although they are always full of anxiety because of Garuda, who comes there to destroy them. This is the way of material life. Even if one lives in the most abominable condition, he still thinks himself happy with his wife, children, friends and relatives.

TRANSLATION: Beneath Mahatala is the planetary system known as Rasatala, which is the abode of the demoniac sons of Diti and Danu. They are called Panis, Nivata-kavacas, Kaleyas and Hiranya-puravasis [those living in Hiranya-pura]. They are all

enemies of the demigods, and they reside in holes like snakes. From birth they are extremely powerful and cruel, and although they are proud of their strength, they are always defeated by the Sudarsana cakra of the Supreme Personality of Godhead, who rules all the planetary systems. When a female messenger from Indra named Sarama chants a particular curse, the serpentine demons of Mahatala become very afraid of Indra.

PURPORT: It is said that there was a great fight between these serpentine demons and Indra, the King of heaven. When the defeated demons met the female messenger Sarama, who was chanting a mantra, they became afraid, and therefore they are living in the planet called Rasatala. (*Srimad Bhagavatam* 5.24.29-30)

It is these beings and others like them that are trying to take over our earth planet, as was described by Mother Govinda dasi.

Let me quote a part of her testimony again:

Srila Prabhupada sometimes said that a “bear-like race of beings had come from a lower planetary system, and were attempting to take over the Earth planet.” This bear-like race of asuras had established themselves in Russia. And by promoting communism, a form of atheism, they were determined to convert the world to Godlessness.

Therefore if the Jews who are actually from the lower planets, and are promoting communism with the aim to convert the world to Godlessness, were fought against and nearly defeated by Adolf Hitler, doesn't this clearly prove that Hitler was an empowered Deva? Could an ordinary man have raised Germany from the depths of despair and fought so powerfully against demons from the lower planets, hell bent on taking over the world?

### **RABBI TEACHES THAT JEWS ARE ALIENS FROM ANOTHER PLANET HERE TO CONQUER THE EARTH**

The following is from a video by Jeanice Barcelo, M.A. Educator, Researcher, and Activist.

“Listen closely as an Israeli rabbi tells his audience that "jews" are not from this planet and are here to conquer the Earth. The teachings of this rabbi would seem to indicate that the jews are an alien race (he comes right out and says this) created for the express purpose of destroying the real Creator's order and imposing onto the Earth the order of their luciferian god.

Here is an excerpt from this must watch video that will help us all understand the nature of what we are up against.

Rav Michael Laitman: In fact, we are not coming from here. We came from there (points to outer space). This is Israel at their root. So we went through such a route that took us inside by, what is called the “shattering of the vessels”... the shattering of the collective soul...

Question from the audience: Who is the chief of staff that sent the commanding unit?

Rav Michael Laitman: Him. The Creator. Israel is a part of Him...

Question from the audience: So, this chief of staff sent this commanding unit?

Rav Michael Laitman: Sent the commanding unit. Gave them strength. Gave them the connections. Everything....

But... they have no choice. He broke them. He shattered them. What does it mean? In order to put them inside the hostile land, he had to give them the same form as that hostile land. It's like we go into a country as an undercover team. And each one of us is exactly like the people of the land. Say we're being sent somewhere now – Africa for instance. So we'll take on the same shape and form of the people in Africa. The characteristics, traits, approach, interests, everything. The same exact for – inside and out... You know, it's like an undercover agent. He is there for a while, no one touches him, he has to start working, build a house, family... Everything is fine for years and years. After that, he starts doing something. He gets a reminder from outside. You gotta start working. He already forgot about it and all of a sudden they call him. Here is your commander, and this and that, you know – like in the movies... This is what's happening with us. We have to wake up. We have to remember that we have a special mission. **And really, this isn't our place. We're coming from a completely different place.** So we have to find our friends according to this awakening. Did you get a phone call? I got a phone call, he got a phone call and so on. And then we gather as a group. **So from this entire planet, we are aliens coming from a different galaxy. We receive this ray of light – this awakening – individually. And now we're gathering as groups starting to prep ourselves to conquer Earth. That's the mission.**

Question from the audience: How do we conquer it?

Rav Michael Laitman: How do we conquer it? We're also sent the method. We're being shown everything gradually. We're being taught. Not being taught, but kind of trained and activated... which sets our minds in motion. **But in fact, it's coming from our original planet. And thanks to that original natural force we have, we will takeover those living on Earth.**

Why are you looking at me like that? You don't believe me? I'm telling you seriously! It's even more than that. **It's not a different galaxy – it's a different universe. It's a different dimension altogether. That's who we are...**

Question from the Audience: "...Why are they aliens?"

Rev. Michael Laitman: "They're aliens because.... I'm not talking about their external form – their body or their flesh and blood organs. **I'm talking about that interior that does not exist in other people in the world on Earth but only in them. It's the inner software that is in them here coming from the other world.**"

"...What we're talking about now is the phase where those undercover agents have to connect together and organize themselves **in order to conquer Earth...**"

"Whether you change humanity or join humanity -- it doesn't matter. It's the same thing - whether you say it like this or like that -- it's the same thing exactly. Because basically you are letting the light work. It's neither this group or that group do anything. It's just actions making them more sensitive for the influence of the light..."

THAT IS, LUCIFER'S LIGHT! THE FALSE LIGHT. THE LIGHT THAT IS DESIGNED TO KILL ALL GOD'S CREATIONS."

This is the light from the hoods of the snakes in the lower planetary systems.

The sunshine does not reach these planets, but they are illuminated by jewels fixed upon the hoods of snakes. Because of these shining gems there is practically no darkness. (Srimad Bhagavatam 5<sup>th</sup> Canto Intro)

So I have proved conclusively that Adolf Hitler was a saktavyesa-avatara specifically empowered to cut down the Jewish communists, who are Raksasas and demons from the lower planetary systems trying to take over the earth.

### HITLER FORETOLD IN THE BHAVIṢYA PURĀṆA

The following was posted in the comments on my video blog:

Hitler wasn't a demigod. He was an empowered incarnation of the Lord. "After many barbarians in the guise of kings have ruled over the Earth during the Age of Kali, a saintly king named Kalmalīka will take birth among the Hūṇa people to lead a rebellion against the Daityas and their pāṣaṇḍī (atheist) stooges. After having subdued many minute kings, he will declare himself the emperor and his kingdom will stretch to the length of 40,000 yojanas. Although, inevitably, he will be defeated and his kingdom destroyed, his actions will have paved the way for the Lord's Golden Age to verily set in." (Bhaviṣya Purāṇa, Pratisarga-parva 23.63-66)

Kalmalīka (कल्मलीक) means brightness, lustre. and the name Adolf is a compound derived from the Old High German Athalwolf, a composition of athal, or adal, meaning "noble", and wolf. The name is cognate to the Anglo-Saxon name Æthelwulf (also Eadulf or Eadwulf). The name can also be derived from the ancient Germanic elements "Wald" meaning "power", "brightness" and wolf. 40,000 yojanas roughly correspond to the Third Reich at its greatest extent.

What did Prabhupada say about the Bhaviṣya Purāṇa?

Tamala Krishna: He says he read a passage of the Bhavisya Maha-Purana written by Vyasadeva three thousand years before Christ foretelling Jesus Christ's presence in the Himalayas in 78 of the Christian era, and his meeting with King Shalamoyi.(?) Are there any other prophecies in the Bhavisya Maha-Purana or in any other scriptures telling more accurately Jesus Christ's birthday?

Prabhupada: **Everything is accurate there.**

[Room Conversation, April 2, 1977, Bombay]

## About The Author

I was first blessed with Prabhupada's association in 1988.

Even though I wasn't raised a Christian, I always remember appreciating Jesus Christ through my school years, especially during Bible based assemblies and Church visits.

When I was 20 years old and living alone in my flat, one day I picked up an old Bible from my book shelf and looked at the section of Jesus preaching his Sermon on the Mount. I read parts and remember thinking: "I would love to have been a real disciple of Jesus". The Lord in the heart noted my desire and shortly thereafter, He sent to me the Jesus Christ of our times, namely Srila Prabhupada.

### **ACCEPTING PRABHUPADA IN MY HEART**

I accepted Srila Prabhupada in my heart the moment I saw his face on the book I received from a friend. I could immediately feel that here was a personality that I could fully trust. He didn't want anything from me but was simply coming to help me, to give me a message of profound truth.

My feelings were confirmed when I started to read Prabhupada's books. Here was a Divine Messenger from the Lord conveying the highest spiritual knowledge in a most easy-to-understand fashion. I was totally captivated!

I gradually developed my relationship with Prabhupada through hearing his lectures, chanting kirtans with him and reading his books. In a short period of time, I was chanting 16 rounds and I was determined to surrender and become a full time devotee in his ISKCON movement.

### **JOINING ISKCON**

After giving away most of my belongings and selling my home, I went to live in a small temple in Birmingham. I was very disappointed to hear from the ISKCON leadership that Prabhupada was no longer available as the guru, but had instructed that all future devotees coming to his movement accept his advanced disciples as initiating spiritual masters and be guided by one of them.

I served for nearly four years in ISKCON mainly doing full time book distribution and also cooking. I approached various gurus but they could never compare to Prabhupada who had won my heart by his purity. In fact he saved me from surrendering to one of those rogues and nondevotees posing as a pure devotee by the following words he spoke to me:

This is the first condition. First of all find out such person whom, upon whom you have full faith that whatever he will say, you will accept. That is guru. [*Prabhupada Lecture, Bhagavad-gita 13.1-2 Miami, February 26, 1975*]

I never had full faith in any of these men, thus I couldn't surrender to them. Eventually by my prayers, Krishna sent me a real disciple of Prabhupada who helped me understand that rotten smell that lingered in ISKCON, that thing that just didn't seem right. After preaching the truth about Prabhupada being the only diksa guru for ISKCON, I was quickly banned from the movement.

### **GOING BACK TO THE START**

Thus I returned to my former position of taking direct shelter of Prabhupada as I had done before my ISKCON experience. I was like a withered flower that was blessed and drenched from the heavens by the mercy of the rain clouds. I regained my intelligence and enthusiasm. I regained my very life!

I was now very determined that I would never be deceived again. I made it my mission that I would hear every lecture and conversation Prabhupada ever gave. I would read all his books. No rascal would push his concoctions past me ever again!

### **MEETING SULOCANA DASA THE PERFECT DISCIPLE & THE LILAMRTA**

During this period, around 1993, I read *The Guru Business* by Sulocana prabhu. This book had a powerful effect on me. "Here was a true disciple of Prabhupada who gave his life to expose the deceivers and re-establish Prabhupada's true mission" I thought. I was deeply impressed by his example and powerful message.

The most powerful instruction I received from Sulocana prabhu was the following:

"He left us his own autobiography, as it is." (*Sulocana dasa, Guru Business Preface – A Rude Awakening*)

These words were implanted in my heart by Prabhupada's perfect disciple, and eventually manifested in November of 2001, as the wonderful autobiography of His Divine Grace called "Sriila Prabhupada Lilamrta As It Is".

So from 1993 as I was hearing Prabhupada constantly, I was collecting all the beautiful words from his lotus mouth about his life, character and qualities. These formed the basis of the book. I also printed The Guru Business as a photocopy booklet.

### **ALL OF US SHOULD HEAR PRABHUPADA**

Along with this I decided that I should also compile a book of Prabhupada's quotes about the importance of hearing from the pure devotee. From my own experience I was seeing that hearing from Prabhupada was giving me back my life which was gradually fading away in the ISKCON cult. I knew that if others would take to this process then the original mission of Prabhupada could be revived. I named the book "All Of Us Should Hear Prabhupada". It was printed in late 1993.

We must admit that we have realized definitely that the divine message from his holy lips is the congenial thing for suffering humanity. All of us should hear him patiently. If we listen to the transcendental sound without unnecessary opposition, he will surely have mercy upon us. The Acarya's Message is to take us back to our original home, back to God. Let me repeat, therefore, that we should hear him patiently, follow him in the measure of our conviction, and bow down at his lotus feet for releasing us from our present causeless unwillingness for serving the Absolute and all souls.

*(Sriila Prabhupada's Vyasa Puja offering, 1936)*

### **A PRABHUPADA TEMPLE**

Shortly after this I managed to open a small preaching temple in the UK where Prabhupada was worshiped as the initiating guru. The temple was based on the principle that Prabhupada's vibration remained playing 24 hours a day in the building and he would give the morning and evening classes. Devotees would also experience the bliss of chanting in kirtan with Prabhupada leading the chanting.

### **PRABHUPADA ON YOUTUBE**

In 2005 I was one of the first people to put Prabhupada's videos on YouTube. Prabhupada gave me the good preaching intelligence to tag the Illuminati in the titles of the videos. This had an amazing effect and one of the videos had around 1.2 million views and a few others half a million views. Later my channel was hacked and all videos deleted. Still many people became devotees from associating directly with Prabhupada during that period.

### **PRABHUPADA BULLOCK CART IN VRINDAVAN 2007/08**

As you may already know, in November 1977 at Krishna Balarama Mandir, Vrindavan, Sriila Prabhupada repeatedly requested to be released from his room in which he was locked by Ravana disciples. His Divine Grace desired that his real disciples and sincere servants break free from the influence of these Ravana disciples and thwart their sinister plan to poison him, by taking him from the room for Bullock Cart Tirthasthana.

During the Kartik months of 2007 and 2008, which was the 30th anniversary of Prabhupada's disappearance, I went to Vrindavan with my family and a few friends and we executed Prabhupada's REAL FINAL ORDER by taking him on Bullock Cart Parikrama in Vrindavana. Prabhupada led the LOUD chanting and it was SIMPLY ECSTATIC!!!

We were all instrumental in releasing this brahmastra of Prabhupada's Love of Godhead from Vrindavan Dhama at Kartik, penetrating the universal shell and cracking the hearts of the demons!!!

The strength of the modern day Kamsa demons [International Jewry] who are trying to rule the world without God was curbed down or curtailed by this sacrifice of LOUD PRABHUPADA SANKIRTANA!!! (See Srimad Bhagavatam 1.1.4)

### **GIVING PRABHUPADA TO THE JEW PILLED**

I was always aware of the favourable things Prabhupada said about Hitler. In 2015 after watching “Adolf Hitler The Greatest Story NEVER Told”, I started to understand more deeply the essential service Hitler did to protect the west from the Godless Jewish Bolsheviks, thus allowing the message of Prabhupada to be imparted there to begin an Aryan resurrection.

It was then very clear to me that those people who were awakened to the Jewish problem are the best recipients for the spiritual truths that Prabhupada is giving. This is a big topic that I will cover in my next book called “THE FIGHT FOR MOTHER EARTH - Communism Against Krishna Consciousness For The Soul Of Man”. This has been the focus of my preaching work in this last period. Bringing all those Jew pillared souls to the lotus feet of Prabhupada. Or as Hitler called him: “The One, The Man to Come, The New Messiah”.

### **THE GURU BUSINESS & KILLING FOR KEITH**

Recently with the publication of his book called “Killing For Krishna”, Henry Doktorski, the deranged follower of Keith Ham (aka Kirtanananda), has viciously attacked Prabhupada’s perfect disciple Sulocana prabhu.

This attack by Doktorski has been the catalyst for me to get Sulocana’s Guru Business professionally published for the first time. I had previously printed it twice before as a photocopy booklet after reading it in 1993, and later around 1998, but the illusory energy of the Lord was always checking my desire to print it as a beautiful book befitting its glorious stature. Now I am truly proud and honoured to have been given the service of getting The Guru Business into print, at long last!!!

If anyone actually reads this printing of Sulocana’s Guru Business, that in and of itself, will destroy the slanderous mental speculations presented by Henry Doktorski in his book “Killing For Krishna”. Still as a follower of Sulocana, I cannot sit idly and allow this deranged rogue and nondevotee to blaspheme Prabhupada’s perfect disciple. As silence means acceptance!!! **THUS I HAVE DEFENDED THE HONOR OF SULOcana PRABHU AND EXPOSED THE BLASPHEMER HENRY DOKTORSKI WITH MY BOOK KILLING FOR KEITH.**

### **PRABHUPADA AND THE JALADUTA INCARNATIONS**

In this year of 2023, I have been blessed to complete a new book about Srila Prabhupada. The main purpose for compiling this book is to establish in the devotee community of the whole world, worship of Srila Prabhupada and the Jaladuta Incarnations. This transcendental pastime should be celebrated as a yearly festival by all devotees of the Lord.

This divine lila of Srila Prabhupada with the Lord reveals to us very clearly the exalted personality of His Divine Grace and the importance of his great mission of spreading love of Krishna to all the fallen conditioned souls.

Prabhupada’s position in the ten thousand year Golden Age now unfolding on this planet is so pivotal that the Lord personally incarnated in multiple transcendental forms to protect and carry him on the Jaladuta to America.
